Q10 comments Following authors on social media

Tsu

Probably not all, but it could be any or a combination of some of these again, would not as would just go looking for information if I needed it

As long as the feed was of interest and not just publicising their books

No

Can I just mention before I go - Q3 - Title is also vital in getting me to "pick up" a book.

No I wouldn't follow an author

I tend to "follow" only close friends due to time constraints, but sporadically keep up with favorite authors.
